

LGBTQIA+ 101: BUILDING LGBTQIA+ AWARENESS & SUPPORT PRACTICES

SDUSD is committed to emphasizing the role of educators as adult allies and advocates to LGBTQIA+ students. This training presents local, state, and national data on LGBTQIA+ student experiences, highlights district, state, and federal policies that protect and support LGBTQIA+ students, explores support practices educators can immediately implement, and provides resources and strategies for creating inclusive schools where all students feel welcome.
