

Building Support Strategies for Transgender, Nonbinary, and Gender Nonconforming Students

PART 1

Explores the physical, emotional, logistical, health, and safety challenges transgender, nonbinary and gender non-conforming students face at school, home, and the larger community. Includes guidelines for best practices and overview of legislation that supports/protects transgender, nonbinary and gender non-conforming students.

Offered to ALL school-site staff

PART 2

Scenario-based training that prepares school-site staff for the “What if’s...” of supporting transgender, nonbinary, and gender nonconforming students and provides staff with the necessary tools to respond to difficult questions. Learn to create a site-based action and support plan and team that will create best practices for supporting trans/nonbinary/gender nonconforming students.

Offered to ALL school-site staff

SPREAD AWARENESS AND FIGHT FOR
SOCIAL CHANGE.
