

FAIR & SQUARE:

EVERY HOUR, EVERYWHERE

"Policy doesn't simply give us permission. We're accountable for doing this now. It's California law."

ENSURING THAT STUDENTS SEE REFLECTIONS OF THEMSELVES IN THE CURRICULUM

How do your students of color, students with disabilities, LGBTQIA+ students, and those of all socioeconomic statuses connect with what you're teaching?

Learn entry points for discussing these themes and topics so students are exploring them on a routine basis all year long.

- *Common Core compatible
- *Literature/Novel study discussions
- *Themes covered in non-fiction for all disciplines

Interactive 90-minute training designed specifically for elementary, middle, and high school.
